October 2011

Dear Sir/Madam,

**Proposed Road Improvement Scheme - Vine Island**

Wolverhampton City Council is proposing to undertake highway improvement works to the Vine Island junction. The main works are scheduled to commence on-site in July 2012.

The scheme includes:

- The creation of a larger roundabout slightly to the north of the existing roundabout junction.
- The creation of dedicated servicing and parking for the Vine Island shops
- Traffic restrictions at the Bee Lane junction with A449 Stafford Road.

The proposals are shown on plan overleaf for information. The plan will also be on show at the forthcoming Local Neighbourhood Partnership Meeting at Low Hill Community Centre, Kempthorne Ave on 27<sup>th</sup> October from 3pm to 5pm when officers will be available for questions.

If you have any comments or questions please ring 01902 551155, or write to Transportation Development, Heantun House, Salop St, Wolverhampton WV3 0SQ or via email at [transport.strategy@wolverhampton.gov.uk](mailto:transport.strategy@wolverhampton.gov.uk)

Yours faithfully
